Azalea® Tall

No limits on comfort for
taller users

Yes, you can.™

Rea Azalea Tall is specially designed to meet the needs of tall users who require a Tilt in Space wheelchair with a longer seat support. Adapted from the **Rea Azalea**, the **Rea Azalea Tall** boasts all the advantages of a reliable, tilting wheelchair and offers a unique weight-shifting mechanism. The **Rea Azalea Tall**: at the top of its class for comfort and stability. The improved Flex 3 backrest adds individual adaptability. 5 frame colours and three upholsteries are available.

Real compatibility

The **Rea Azalea Tall** has all the features of the **Rea Azalea** such as Tilt in Space weight-shifting for a really stable tilt. All accessories such as rear wheels for self-propelling or smaller wheels for transport and a different seat system also fit the **Rea Azalea Tall**.

Easy maneuverability

The adjustable push bar has been designed with the carer in mind, it offers a good ergonomic grip and can be adjusted to suit the needs of a carer.

Longer seat plate

An extra 50 mm of seat depth is designed to support longer legs.

Chassis length

An extra 50 mm in length enables greater forward stability.

Seat height

An extra 50 mm of height allows for longer leg-rests.

For other Rea Azalea accessories, please consult the Rea Azalea brochure or visit www.invacarearea.com to see videos of them
