

Invacare® | **Matrx® Mini Seating Series**

Transforming kids seating

**matrx**<sup>®</sup>  
SEATING SERIES

Trusted Solutions,  
Passionate People

The *Invacare **Matrx Mini Back*** and *Mini **PS Cushions*** are designed to provide exceptional support with maximum freedom of movement. Every element of the Mini Series has been carefully designed and constructed, keeping paediatric users at the forefront at every stage. Key features include:

- Lightweight, contoured and durable backrest
- Highly resilient contoured foam cushion

### Lightweight, contoured and durable backrest

The *Invacare **Matrx Mini Back*** provides comfort, stability and improved user positioning. Its Mini Set hardware allows it to be installed and adjusted in minutes while its quick release mechanism makes the lightweight backrest highly portable. The *Invacare **Matrx Mini Back*** offers the possibility to adjust for growth and the adjustable mounting pins allow it to fit to chairs with the same or 25 mm wider back.

### Highly resilient contoured foam cushion

The *Invacare **Matrx Mini PS*** is an anatomically contoured, high quality foam cushion with a waffled ischial relief section for improved positioning and comfort. The moulded foam provides a three-dimensional form and offers improved stability and support to the user. Moulded foam is also highly durable, increasing the product's longevity.

## Cover

Back - Water resistant and breathable with attractive Kid\*ab\*ra print.

Cushion - Complete with zippered Startex inner cover and Kid\*ab\*ra print outer cover. It is easy to remove to allow modifications/laundrying.

## Mini Set Back Hardware

Allows 100 mm of depth adjustment to accommodate growth and can recline up to 30° and rotate. The hardware fits 25 mm, 22 mm & 19 mm diameter back canes.

## Mini Swing-away Laterals

Height, width and depth adjustable lateral support for added stability and positioning. Latch release mechanism allows pads to be rotated out of the way for side transfers.

Pad size W110 mm x H82 mm.

## Headrest Clamp

Mini backs are pre-drilled to allow attachment of headrests.

## Mini Elan Headrest

Elan hardware is infinitely adjustable through 6 adjustment points. A full range of Elan positioning pads are available - see Elan headrest brochure for more details.

## Chest Harness Interface Kit

Allows attachment of chest support straps to mini backs.

## Technical data
