

INVACARE® TOP END®  
**ELIMINATOR™ OSR**  
RACING WHEELCHAIR

The **Invacare® Top End® Eliminator™ OSR Racing Wheelchair** is designed for speed. The super-stiff roll-formed horizontal maintube, combined with a relaxed headtube angle for exceptional stability and aerodynamics, make it the choice of champion racers like Ernst van Dyk, Krige Schabort, Kurt Fearnley, Chantal Petitclerc and Edith Hunkeler. So, if you have your sights set on winning, the Eliminator OSR racing wheelchair will help you get to the finish line first.
